

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

Published by Authority.

LONDON, Printed for Francis Leach at the Faulcon in Shoe-Lane. 1646. Single Sheet.

British Museum, 669. f. 10./89.

1647.

The Parliament of Ladies. Or Divers remarkable passages of Ladies in Spring-Garden; in Parliament Assembled. Together with certaine Votes of the unlawfull Assembly at Kates in Coven Garden.

Vespre Veneris Martis : 26. 1647.

Ordered by the Ladies in Parliament Assembled, That their Orders and Votes be forthwith Printed and published, to prevent such misreports and scandales, which either malice, or want of wit, hightned with snoffes of Ale or stayned Claret may cause, in the dishonour of the said Votes and proceedings in Parliament.

Ja: Kingsmill Clar. Parliamen.

The second Edition corrected by the originall, unto which is added a Supplement of some further proceedings in the said Parliament.

Printed in the yeare 1647. 4to.

"First, that Northampton be continued a Garrison, and that the Lady Sunderland be requested to take the command of it on her; notwithstanding the selfe-denying Ordinance."

p. 7.

British Museum, E. 388 /4.

1647.

Divers remarkable Passages of the Ladies at Spring-Garden, in Parliament assembled.

"This Piece, which contains an arch comment on the gallantries of these times, was first printed in quarto, in the year 1647, under the title of The Parliament of Ladies, or Divers Speeches, &c. ; but very erroneously, and with many omissions, particularly the following passage in the title-page:—'Together with certain Votes of the unlawful Assembly at Kate's, in Covent Garden; both which are sent abroad to prevent Misinformation.' All which are here supplied out of a manuscript copy preserved in Lord Somers's Collection.

Thus far the former edition of Somers' Tracts. This lampoon has been somewhat extended in the present copy by assistance of a manuscript copy in possession of the editor. There are some verses subjoined to it, also alluding to the gallantries of the time, but they are too gross for publication.

Somers' Collection of Scarce and Valuable Tracts, 1809—15,

vol. v., p. 472.

First, that Northampton be continued a garrison, and that the Lady Sunderland be requested to take the command of it on her; notwithstanding the self-denying ordinance.

1648.

A List of the Members of both Houses of Parliament, that were forcibly secluded by the Army in the Year 1648, or since excluded by a few of their Fellow-Members, confirming that which they formerly disowned.

This curious tract contains an exact statement of the Rump Parliament, or that part of the Long Parliament, which continued to manage the affairs

of the state, after the expulsion of the pre-byterian party, by the Act of Violence, commonly called "Colonel Pride's Purge."

Somers' Collection of Scarce and Valuable Tracts, 1809-15,
vol. vi., p. 37.

The House of Peers
The Earl of Rreter
Of the House of Commons.

1775.

The History of the Cases of Controverted Elections, which were Tried and determined during the First Session of the Fourteenth Parliament of Great Britain. XV. Geo. III. By Sylvester Douglas, Esq. of Lincoln's Inn.

Mais si les tribunaux ne doivent pas être fixes, les jugemens doivent l'être à un tel point, qu'ils ne soient jamais qu'un texte précis de la loi. S'ils étoient une opinion particulière du juge, on vivroit dans la société sans savoir précisément les engagements que l'on y contracte.

L'Esprit des Loix, liv. xi. c. 6.

In Two Volumes.

LONDON, Printed for G. Robinson, No. 25, Pater-noster Row. M DCC LXXV. 8vo. 4 vols.
